Re: Nunez, et al. v. City of New York, et al., 11-cv-5845 (LTS) (JCF)

Dear Judge Swain:

We write to respectfully request an extension of time to file the Monitor's Fourth Report and recommend two modifications to the Consent Judgment (Dkt. No. 249) as described below.

First, we respectfully request an extension of 8 days to file the Monitor's Fourth Report on October 10, 2017 instead of October 2, 2017. This is the first request for an extension of time to file the Monitor's Fourth Report. We have discussed this extension with all Parties and they consent to this request.

Second, we respectfully recommend two modifications to the Consent Judgment (Dkt. No. 249). The first recommendation is a change in the calculation of time to develop the Monitor's Report beginning with the Monitor's Fifth Report. Appendix A attached to this letter identifies, in track changes, the proposed modifications to the two relevant sections of the Consent Judgment, Section XIX (Reporting Requirements and Parties' Right of Access), ¶¶ 1 and 17. We respectfully make this request because we believe the calculation of time by business days instead of calendar days results in a more reasonable and equitable timeline to develop all of the necessary components for the Monitor's Report and will help ensure the Monitor's Report is as reliable, accurate and comprehensive as possible.

We also write to recommend an extension of the deadline to institute a pilot project of the use of body-worn cameras to October 10, 2017 as described in the chart below.

Consent Judgment Provision	Description of Provision	Current Deadline ¹	Recommended Extension of Time
Section IX (Video Surveillance), ¶ 2(a)	Body Worn Camera Pilot – Pilot of 100 body-worn cameras.	Within one (1) year of the Effective Date	October 10, 2017

This is the fifth request to modify certain provisions of the Consent Judgment.² We have discussed our proposed recommendations to modify these provisions of the Consent Judgment with the Parties and they have consented.

Please do not hesitate to contact us if you have any questions or require further information on the proposed extensions and modifications.

Sincerely,

s/ Steve J. Martin

*The requested extension and modifications are approved.
 DE #302 resolved.*

SO ORDERED:

 HON. LAURA TAYLOR SWAIN
 UNITED STATES DISTRICT JUDGE

¹ The Effective Date of the Consent Judgment is November 1, 2015. (Docket Entry 260)

² See Appendix B.

Appendix A

Proposed Modifications to
§XIX. (Reporting Requirements and Parties' Right of Access)

1. The Department shall submit periodic compliance reports to the Monitor and Plaintiffs' Counsel ("Compliance Reports"). The Compliance Reports shall be provided to the Monitor and Plaintiffs' Counsel within ~~30~~25 business days after the end of each Reporting Period during the Agreement. The first Reporting Period shall begin on the Effective Date and end four months after the Effective Date. The second and third Reporting Periods after the Effective Date shall be a five-month period of time beginning on the day following the end of the previous Reporting Period. Thereafter, the length of the Reporting Period shall be a six-month period of time beginning on the day following the end of the previous Reporting Period.

...
17. The Monitor shall issue a Monitor Report within ~~90~~75 business days following each Reporting Period. The Monitor Reports shall be provided to the Parties in draft form for comment at least ~~30~~25 business days prior to their issuance, and the Parties shall provide the Monitor with their comments, if any, within ~~24~~15 business days after receipt. The Monitor shall consider the Parties' comments, and make any changes he or she deems appropriate, before issuing the final report. The Monitor Reports shall be written with due regard for the privacy interests of individual Inmates and Staff Members; federal, state and local laws regarding the privacy of such information; and the interest of the Department in protecting against the disclosure of non-public or privileged information. Consistent with such interests and laws, the Monitor shall redact individual-identifying information from Monitor Reports and any documents submitted with those reports, and shall give due consideration to the Department's requests to redact any other information. To the extent the Monitor declines to make redactions requested by the Department, the Monitor Report and any documents submitted with those reports shall be submitted to the Court under seal for the Court to consider the Department's proposed redactions before making the Monitor Report public.
